WORKSHOP MANUAL

LANCER

EVOLUTION-IV
EVOLUTION-V
This Workshop Manual contains procedures for service mechanics, including removal, disassembly, inspection, adjustment, reassembly and installation. Figures taken from registration documents are given in metric units only. All other figures are given in SI units with metric units in brackets. Use the following manuals in combination with this manual as required.

TECHNICAL INFORMATION MANUAL N9806CNCP9

All information, illustrations and product descriptions contained in this manual are current as at the time of publication. We, however, reserve the right to make changes at any time without prior notice or obligation.
